Councillor: Geoff Lowe

Party: Independent

Ward: Acton

Section 1: Role and Responsibilities:

I do not have a role as chairman or vice chairman my reason is because I had no wish to be considered for one I see my main responsibility is doing all I am able to do addressing ward issues on behalf of constituents, Acton is a busy Ward with a mixed age group of residents with varying needs and as the councils resources continue to be reduced I see these as my main responsibilities.

I sit on the following Committees (attendance figures supplied by WCBC):

Scrutiny Committees

Employment, Business and Investment.

Environmental Licensing.

Customer Performance, Resources and Governance Scrutiny Committee.

I sit on the following external Committees (attendance figures supplied by Councillor):

Section 2: Constituency Activity:

Twice weekly walks around the ward and visiting constituents to discuss any issues I am also a member of Acton community council and Acton Community Resources Centre Management some of the services on offer include music lessons, computer learning skills, infant and toddler group to mention a few the enthusiasm is fantastic. Improvements to council properties as resources allow some of the planned work as now been completed plus environmental improvements will continue to be addressed.

Thankfully virgin media have finished their work in the ward which brought disruption to bus routes and closed roads.

Section 3: Other Activities and Issues:

Section 4: Learning & Development Undertaken:

My learning activities continue these are achieved through workshops and training sessions these issues include Risk Management, Budget Monitoring, School Governor Training.

Section 5: Other Activities and Issues:

Member of NWF& RS Authority representing WCBC like many public bodies this very valuable service continues to face difficult resources issues despite this the Fire Service continues to provide an excellent service.
