Section 5: Other Activities and Issues:

I have been a Community Councillor for 10 years, this year I have been re-elected Vice Chair, during this time I have instigated the following initiatives:
I suggested we in the Cefn Community look how best to Commemoration of the centenary of the end of World War 1, this has involved local schools researching the 128 people from our villages who died in that conflict. This I feel has been an excellent experience for the schools, volunteers and Councillors. (Special thanks to Phil Vaughan for his efforts in this project).
Again the four local schools took part in our football tournament, this Rhosymedre won.
I have instigate the setting up of a Funding Committee which we hope will give us access to much needed grants which are now available to improve our area.
Cefn Community Council have just been awarded a grant of £66000 to introduce a 20 MPH in most areas of our communities, I urge everyone to take part in the consultation on this.
