PROPOSAL

Planning permission is sought for the partial change of use of the dwelling house to allow the operation of a beauty salon. The applicant intends the business to operate on the basis of an appointment only system with no third party employees operating from the dwelling.

HISTORY

None.

PLANNING POLICY

The site is located inside the Wrexham Town settlement limit. Policies PS2, GDP1 and T8 are relevant. Guidance is contained in LPG16 – Parking Standards.

CONSULTATIONS

Community Council:	Objects. Commercial use is not appropriate in a residential property. It will have an adverse impact on the residential area.
Local Member:	Acknowledged receipt of notification. No comments made.
Site notice:	Expired 27.08.2019
Highways:	No objections subject to conditions to prevent more than one customer on site at any one time and the permission being made personal to the applicant.
Public Protection:	Recommends a condition to restrict noise of air handling equipment.
Neighbouring occupiers:	10 neighbouring occupiers notified. No responses received.

SPECIAL CONSIDERATIONS

Amenity: The proposal will result in the use of a dwelling for the purposes of providing a beautician services on an appointment only basis. The applicant indicates that the service will be offered on an appointment only basis. An example is given that a customer may very well be on site for a period of 3 hours at a time. Across the week, it is anticipated that there may be 5 to 10 customers. On this basis, I am satisfied that the impact of the use upon the neighbouring occupiers will be akin to a friend or family member visiting the property. Subject to visits being controlled by condition on an appointment only basis and one customer at a time, the impact will be acceptable.

Highways: The dwelling is located in terrace of properties with no dedicated off road parking. Parking is limited to a layby along Nelson Street. Given the low frequency of visits and the proposed planning conditions, there will be a low to negligible impact upon traffic movements.

Conclusion: I am satisfied that the proposal will result in limited impact to the amenity of the area and will accord with policy GDP1 of the Wrexham UDP. I recommend accordingly.

RECOMMENDATION: That permission be GRANTED
